Day 1

Masai Mara National Reserve

Accommodation

Aa Lodge Amboseli

Your safari starts here, and we're so excited to be here with you. Meet your guide and ask any questions you may have. Then let's go out together and go on the safari you've been waiting for.

One of our favorite places to look for wildlife in Kenya is the Masai Mara National Reserve. That's because the wildlife here is incredible, with big cats (lions, leopards and cheetahs) and elephants among the highlights, not to mention black rhinos in the Mara Triangle. There's a very good chance you'll also see giraffes, buffaloes, wildebeests, zebras, hippos, hyenas, and, of course, impalas. And bring your binoculars, because more than 500 species of birds have been recorded in the reserve. It's a place of beautiful savannah landscapes as well, with lots of acacia trees.

About Us

Mission Tour and Travel

We are based in Kenya, and we have a representative in the US. Our partner in America is Dr. Mike Henderson, executive director of a mission agency called Heart of Africa.

Our company specializes in serving people who come to Africa on a mission. We started more than 25 years ago to serve the unique needs of missionaries. We soon discovered that many other groups of people come to East Africa on various kinds of missions: research, public health projects, study, philanthropy, etc. Our staff is trained and our vehicles are equipped to serve groups who have objectives to accomplish and need to do so efficiently and comfortably.

Although our company does not cater exclusively to the tourist trade, as many do, we want to show visitors to Kenya the beauties of our country: our game parks, our beaches, and our spectacular landscapes. We can tailor-make a mission safari for you which will include both the requirements to complete your mission and the opportunity to enjoy the scenic beauty Kenya.
