Climbing gently from the shores of the lake, Lake Naivasha Sopa Resort is filled with charm. Lovely grounds with lots of trees shelter luxury rooms in stone bungalows, while waterbuck and other antelopes often graze here. Watch out for wandering hippos at night! Many travelers fall in love with the Masai Mara National Reserve at first sight, and it's really easy to do. Here you can go looking for big cats, elephant, giraffe, hippo, buffalo, wildebeest, zebra and more (including black rhinos in the Mara Triangle). Birders come because more than 500 species have been recorded in the Mara. And best of all, you get to do it all across one of Kenya's best examples of classic safari terrain. The Masai Mara is a wonderful world of endless savannah grasslands, acacia woodlands and rolling hill country rising to the escarpments that line the reserve's perimeter. The Mara also lies in the heart of Maasai country.

About Us

Mission Tour and Travel

We are based in Kenya, and we have a representative in the US. Our partner in America is Dr. Mike Henderson, executive director of a mission agency called Heart of Africa.

Our company specializes in serving people who come to Africa on a mission. We started more than 25 years ago to serve the unique needs of missionaries. We soon discovered that many other groups of people come to East Africa on various kinds of missions: research, public health projects, study, philanthropy, etc. Our staff is trained and our vehicles are equipped to serve groups who have objectives to accomplish and need to do so efficiently and comfortably.

Although our company does not cater exclusively to the tourist trade, as many do, we want to show visitors to Kenya the beauties of our country: our game parks, our beaches, and our spectacular landscapes. We can tailor-make a mission safari for you which will include both the requirements to complete your mission and the opportunity to enjoy the scenic beauty Kenya.
